Jewellery Making Workshop with 'Beadelicious'

Our August meeting promises to be an evening designed with our craftier members in mind - and those in need of a rest from cake decorating! The lovely Louisa from 'Beadelicious', will be coming along to teach us the art of jewellery making and you should walk-away with your very own hand crafted Bracelet or Necklace. Refreshments including Teas, Coffees and assorted cakes will also be available on the night as usual. All materials will be provided. Pictures for demonstration purposes – actual design of jewellery produced on the night may differ.

Ticket Prices to be confirmed.

Crafty Members get knitting for George Elliot Hospital...

Back in February, George Elliot Hospital put out an urgent appeal for knitted hats for their tiniest inpatients, at their Premature Baby Unit.

This appeal sent our lovely, generous and talented members into a knitting frenzy, as they shared patterns, techniques and wool amongst themselves, resulting in a **WHOPPING 100** tiny knitted hats being donated in total!

The entire committee was blown away by everyone's efforts, and extra thanks must go out to Dianne Ingram, who not only made many of the hats, but also delivered and presented them at the start of this month to the nurses at George Elliot in person.

Well done to all of those involved!

WANTED: Committee Member!

Due to personal circumstances, a member of our Committee has recently had to step down, leaving us a member short. As such we are now in need of a new Committee member to assist us with a wide range of club matters, with a particular focus on organising the social events and fundraisers we would like to hold alongside our existing monthly club meetings in the near future. The committee are a friendly, light-hearted bunch, who meet for a couple of hours on average once a month, and the suitable candidate would need to be a team player who will share our enthusiasm for improving and expanding the club. If you think this position may be for you, please do get in touch via email at the address below!
